

Adopt a Bed

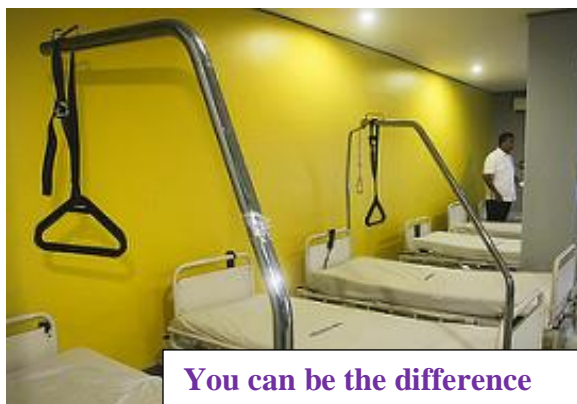

The supply of medical equipment and consumables is the most cost-effective way to support two of the Rotary Foundation's Areas of Focus: Improving Patient Care and Saving Mothers and Children.

The Adopt a Bed Program is one of the easiest and most cost effective International Projects your Club can adopt.

In developing countries hospital beds often look like this.

You can be the difference

The Donations in Kind **Adopt A Bed Program** allows a Rotary Club or an individual to sponsor a Hospital Bed for \$200 or 6 for \$1000. (Tax deductibility is available.) Your bed number is allocated when the funds are received, and your Club is advised details when your hospital bed is shipped.

You can send a cheque; transfer the funds to Donations in Kind: BSB 633 108, Account No 1434 96529 or go to www.rawcs.org.au / click to donate / Project No 32 Year 2014-15 and nominate Adopt a Bed.

From as little as \$200 you can support the Adopt A Bed Program and improve patient care in developing countries.
